ALEXANDRA MILLATMAL
JOURNALIST & JUNIOR WEB DEVELOPER

402.309.4296
alexandrajmh@gmail.com

SELECTED WORKS

2015 — **Twittery Diversity Project** | **Omaha Code School**
Participated in full-stack development of web software that generates a demographic report of the accounts any given Twitter user follows

2015 — **Article Mapping Project** | **Omaha Code School**
Designed and built a publishing CMS web app that associates articles with locations and includes a master map of reporting for the site

2014 — **"Klay BBJ explains his arrest"** | **Tunisia Live**
Edited package in post-production; verified English translation and added subtitles

2013 — **"Who speaks for Muslim women?"** | *The Stream*
Pitched and wrote web story that inspired the episode; suggested guests to bookers; solicited viewer comments for on-air discussion

PROFESSIONAL EXPERIENCE

Present — **Outreach Director** | **Ajam Digital Archive**
Gather and manage contributions to the archive; oversee social media networks; periodically aid WordPress development and bug-fixes

Present — **Digital Associate Producer** | **Al Jazeera English**
Compile in-depth research briefs on episode topics for *The Stream*'s hosts and producers

2015 — **Teaching Assistant** | **Omaha Code School**
Instructed high-school students in front-end web development over an intensive summer course; mentored campers during their culminating "Community Action" capstone projects

2014 — **Freelance Writer | Al Jazeera English**
Sent daily pitch emails to editors; contributed pieces on women's rights in Tunisia and the anniversary of the 2011 revolution

2013 - 2014 — **Community Engagement Editor** | **Tunisia Live**
Wrote, edited, and published stories via WordPress; assisted in managing reporters and developing angles; managed social outreach and strategy for the web publication

2013 — **Fellow | Al Jazeera English**
Assisted daily live production of *The Stream*; community managed the show's social accounts; aided ad hoc projects like live Twitter chats and open editorial meetings via Google+
